FOR IMMEDIATE RELEASE

AmeriCorps members take part in Make A Difference Day

HOUGHTON – Members of Copper Country AmeriCorps helped out at two local schools on Oct. 25 as part of Make A Difference Day, a national day of helping others.

At Houghton Elementary School, AmeriCorps members and volunteers placed woodchips on the playground, weeded and mulched the garden in front of the school and painted hallways. At Dollar Bay High School, members and volunteers painted a mural on the wall of the student lounge.

This was the seventh year that Copper Country AmeriCorps has participated in Make A Difference Day. Created and sponsored by USA WEEKEND magazine, the annual event takes place on the fourth Saturday of each October. Everyone can participate.

For more information about Make A Difference Day or opportunities to serve the community with Copper Country AmeriCorps, call Director Michelle LaCourt at 482-3663.
